R.S.V.P: 440-259-3501
or kdsnell@roadrunner.com

Food: Finger foods / snacks

Date: Sunday February 23, 2014

Time: 1:00 – 4:00

Topic: Show Prep

Plant of the month: Bring your early
Spring Bloomers

Next Meeting: The next meeting will be February 23, 2014 at Cleveland Botanical Garden in Cleveland's University Circle area. The Smith Classroom is on the parking garage level, down the hall past the security office. Garage parking is \$6 paid at ticket vendor by security or \$5 when paid at main entrance info desk; there is no CBG admission fee to attend club functions. Bring snacks to share. Guests are always welcome.

Program: We will work on March Show's setup details and walk the show area. Have ready your display plant table size, available setup date, any job requests and show attendance schedule. If showing plants, I'll need a list to print table display labels ASAP.

Minutes (January '14 Meeting):

- * Meeting was held at CBG. We had 25 members attend and welcomed guests. Program was an overview of basic taxonomy, explaining the botanical background of plant names, presented by Tim Malinich.
- * Treasurer's report: club dues now due
- * Remember, you can check our website (www.mwcoss.com) for club schedules and meeting info. We need to populate our blog and keep it current with photos, comments, questions, and links. Bring them to the meeting or email them to Tim M at timj@hearthstonefarm.net
- * 2014 Spring Show & Sale will be at CBG on March 22nd 10 am – 5 pm & 23rd 12 – 5 pm. We begin set up Friday afternoon March 21st and finish Saturday 8 am if necessary. Show details and layout will be worked out next meeting.
- * Show program will be 'Hiking Sedona and Red Rock Country', presented by Bill Hendricks.
- * Next meeting show flyers will be available for members to post at local sites. I can also email the Office Word doc file to those wanting to print copies.
- * Everyone...start saving small & medium boxes, fast food drink trays, newspaper, and paper and plastic bags for boxing customer plant purchases. Long, shallow boxes aren't sturdy and don't work well. We ran out of boxes last year. We can't have too many; any extra are used for other club's sales.

See you next Sunday!
