Food: Finger foods / snacks

Date: Sunday January 18, 2015

Time: 1:00 – 4:00

Topic: Plant Records and Plant Labels

Plant of the month: Winter Growing
Succulent

Happy New Year!

Next Meeting: will be this Sunday, January 18th at the Cleveland Botanical Garden in the Smith Classroom located on the parking garage level, down the hall past the security office. There is no CBG admission fee to attend club functions, but garage parking is \$6 when paid at 1st floor main entrance info desk; do not use ticket machine by security office elevator as it may cost more at the hourly rate. Bring snacks to share. Guests are always welcome.

We are now collecting club member dues (\$20 for individual or family).

Program: Plant Records and Plant Labels. How do you track your plants? Do you keep records? What information do you put on your plant labels? Bill Hendricks and Joe Kulick will lead a discussion on the importance of good record keeping for your plant collection. Come prepared to share what you do or why you do not keep records. Everyone please bring examples of how you track your plants' information (name, when and obtained, dates potted or bloomed...)

Plant of the month: Winter Growing Succulents

Many thanks to: Bill and Nancy Hendricks for hosting our club's holiday meeting/party at their nursery in December. We all had a nice time. The meeting was brief. Bill presented a beautiful program on Southern Ireland, from his 2014 summer trip. We ate good food, had a plant gift exchange, and ended with a visit to Bill's cactus greenhouse.

FYI: Watch for possible meeting date change for February to the 4th Sunday of the month. I will let you know ASAP.

See you Sunday!
