Time: 1:00 – 4:00

Topic: Succulent Dish Gardens

Plant of the Month:

SEPTEMBER & OCTOBER DATE & LOCATION CHANGES!

Next Meeting: is Sunday, September 20th at Cleveland Botanical Garden in Cleveland's University Circle area. Our fall annual joint club meeting at Bill Hendricks' nursery will be October 11th, the 2nd Sunday of the month. We meet in the Smith Classroom located on the parking garage level, down the hall past the security office. There is no CBG admission fee to attend club functions, but garage parking is \$6 when paid at 1st floor main entrance info desk; do not use ticket machine by security office elevator as it may cost more at the hourly rate. Bring a snack to share. Guests are always welcome.

Program: Jeff Havel will show us how to make our own succulent dish gardens, like the beautiful ones he sells in his garden center and had displayed at our spring show. If you wish to make your own bring dish, plants, soil and desired materials.

FYI:

* If interested, 2 people who need homes for older cacti, will bring them to September's meeting. One also giving used pots, other may ask for \$ on a couple plants. I will email pictures.

* October 11, 2015 is our annual joint meeting with Ohio area cactus clubs and local horticulture groups, hosted by Bill Hendricks. This year the program speaker will be Bruce Brethauer from Columbus, on Asclepiads and the succulent members of the milkweed family.

* Need to start thinking about meeting program topics and activities for 2016.

* Remember to check our website (www.mwcoss.com) for club schedules and meeting info. We need to keep our blog current with photos, comments, questions, and links. Bring them to the meeting or email them to Tim M at timj@hearthstonefarm.net

See you next Sunday. Let me know if you have questions.
